OUR "BIG TOP"

Our Big Top, the Woodstock Community High School, Woodstock, Illinois — presented by the seniors of 1951, who, in the succeeding pages, hope to bring you the "grrrreatest show on earth" — our 1951 *Woodcohi* — actually patterned this year (to demonstrate our conviction in the worthiness of this project) after the McHenry County Junior Fair, held in Woodstock in July of 1951, the second successful revival of the old county fair of 25 years ago.

So, hitch up your wagon, and hurry to join the fun and the gala atmosphere as the seniors board their special merry-go-round and start off on their last dizzy whirl.

HEAR YE -- HEAR YE

Enter the gates and let us show you the grounds — full of such star-studded attractions as the mighty judges, the blue-ribboned exhibits, the fabulous side-shows (complete with freaks and strong men) and the stupendous concessions. A breath-taking midway — as is our beloved alma mater, not only in the merry-go-rounds of fun, but in the serious educational goals by which our life has been enriched and prepared for our most exhilarating ride — that one into the future — solo —

Startling? Yes! But as we leave, we realize how our school has striven to develop each and every personality — to teach us democratic living — to recognize the American way of life in all of its forms and institutions — and what institution is more typical than a county fair?

Opportunities have been created for us, in all fields, to develop cultural appreciation and vocational skill — and, most important, to become good citizens in our community, well adjusted to our environment, so that we may look into the future with confidence — reluctant to leave behind all the thrills and excitement of our carefree days under our own "Big Top".

DEDICATION

We are proud to dedicate our 1951 *Woodcohi* to Mr. Ole Lee, our janitor and friend who always is ready to donate a helping hand, who has a cheerful smile and good word for all, who is an industrious worker, and who has an enormous amount of school spirit and relishes every event taking place on our "fair grounds".

We feel Mr. Lee to be well deserving of this honor because of the wonderful person he is, being thoughtful, friendly, and loyal. He is truly "fair and square" in every way. We know he has found his way into the hearts of all students of WCHS.

SPECIAL AWARDS FOR THE
MOST OUTSTANDING EXHIBIT — THE SENIORS

CLASS HISTORY

With awe and dread we left our familiar grade schools and ascended to the great brick building on the hill. Because our class was the largest in the school, it was only natural that it should be the noisiest. As freshman week drew near, experienced juniors and sophomores were pelted with questions about the fate of freshmen who had gone before us. In spite of our fears, most of us pulled through, with only our pride injured. Because of our "over-eagerness" at our first class meeting (at which time Bob Clark was elected class president) we were allowed no more meetings for the rest of the year.

Needless to say, when we took our places a year later as sophomores, we were more eager than ever — in a somewhat quieter way. With Jerry Gillett as our president, we started slaving away on a float for the homecoming parade. (We won second prize, too!) As the year wore on, we came upon our first great undertaking — the sophomore dance. With Susan Tresch as queen and "Old Heidelberg" as a theme, our dance was a howling success. We even made money! As everyone well remembers, the football, basketball and baseball varsities included a large number of sophomore boys.

After electing Wayne Schacht president

of the class as juniors, and winning another prize for a good float (third, this time), we settled down to the serious task of choosing a theme for our Junior Prom. Money was no small problem, but with candy, hot-dog sales and record dances we managed very well. Our theme? A Southern Plantation! We broke the record again and made a profit. Wayne Schacht, Ralph Stork, Bob Clark, and Jerry Gillett were given the honor of attending Boy's State, while Ann Abraham represented us at Girl's State. Wayne Rockstead's name goes down in history as the first of the 1951 class to join Uncle Sam's large family.

Imagine! Seniors! . . . *finally* for some of us, and so soon for others. No one can say we didn't *try* to make the inferior freshmen treat us as their superiors. Our floats must be doomed to win! Once again, second prize. It seemed that before we knew the school year had begun, everything started happening at once. First the Rose Dance occupied our attention, then meeting yearbook deadlines, ordering cards and announcements, exchanging pictures, the senior class play, the music festival, and band contest. Finally, Miss Coultas began the well-known hustle-bustle of arranging the annual (our last) Mother's Tea. For

PROPHECY

Let's take a trip around the fair grounds, shall we? Well, what do you know, there's Phyllis Mitchel taking tickets at the grandstand. "Hi—Phil. What's new?"

"Not much, just been going to Chicago a lot lately, for my husband works there, you know. Have two more children since the last time I saw you. Seen any of our old classmates lately?"

"Yes. I saw Lowell Munson just the other day. He's a noted chemist now, went to school over in Europe and has just discovered a new way to count the number of hairs in a horse's tail. Another world-famous man is Jack McConnell; he's a brewer. He, too, received most of his education in Europe, in the vineyards of France. I heard he married five times. I guess most of the class are married and have families, but, of course, Bruce Schildt is still a lone wolf.

"Marlene Steinke became a famous woman lawyer and has won most of her cases, too, and obtained all the degrees she could get. "Red" Johnson became an aviator, but after he made his expedition to Crystal Lake, he stayed on earth, fell in love and married; now he's a promising young farmer. Sally Stock won all the typing and shorthand tests and was made the presidential secretary.

"And did you know that Hans Hinner is a big manufacturer in Plymouth Rock? About four years ago he married Wanta Cornsilk, and his children go out and advertise his business. Mary Ann Cameron settled in the art field; I hear she was educated somewhere in Texas and her pictures found their way to the Nut Gallery. In 1958 she married Wayman Robertson and they lived as happily as could be expected.

"Freddie Howell is a noted soap box orator. He never went on to further schooling because he knew more than the teachers of his day. You can find him in the slums of Chicago delivering his flowery speeches among the laboring people.

"Lyle Bungard is a singer for the Metropolitan. He married Carol Stock a few months after she graduated and they are now living in Woodstock. I see by the newspaper Mary Haager is a movie actress and just won an Oscar for her dramatic role in 'Francie,' the talking mule.

"Marilyn Ystebo just returned to Woodstock after working in the Downey Hospital as a psychologist; she is now trying to straighten out a few of her classmates' minds. Good idea, Huh! Joan Dornbush is another one who is trying to help us. She's head nurse of the 'Dirty Diapers' department here at the Woodstock Hospital.

"Dennis Larson just became president of the 'Balland Chalk' Pool Association. And, as rumors go, I heard he has been married and divorced more than once. Talking of marriages, Dorothy Stogsdill became the wife of Bert McCannon not long after school was out. I guess that's the third one that was married right away, for Mary Ann Rainsford and Harriet Ebert — married, too!

"Mary Ann Lee went to school to become an athletic coach, but was married and now uses her coaching on her own kids, for she is planning on having a baseball team in a few years. I guess Bob Clark and Dick Dailey are coming along swell with their own store. They have all the latest styles for men, and I believe they have a very good salesman working for them too. Ray Allen, of course! Who else?"

"Say, Gloria (Crone), what have you been doing with yourself?"

"Oh, after school I learned more about painting photographs and got married a few years ago."

"Good . . . I guess I must be running along now, Glory, we'll have to get together again and discuss old times. I believe one thing is true of our class and that is wherever they are, they're working for a better and safer tomorrow. Bye — now!"

JUNIORS

"SECOND PRIZE" WINNERS

As freshmen we were known as a class of characters, but in our second year everybody thought we had graduated a little bit into ladies and gentlemen; however, as juniors, we became known as the class of characters again! We were still trying hard, though, (to be ladies and gentlemen, that is) for when the junior girls weren't trying to be peroxides, strawberry blondes, or blueberry blondes, they were selling hot dogs and candy at football and basketball games, so we'd have funds to put on our successful Junior Prom. Two of the prettiest girls were homecoming queen candidates this year: Sue Kemp and Shirley Whiting. Oh, Yes! We took great pride in receiving first prize for our float in the homecoming parade.

But we can't leave out the boys. Look who ran the junior class: President Tom Brody, Vice-President Bob Roush, Secretary Joyce Ballard, and Treasurer Wally Schuett. The boys were good in sports, too. We had six out for football, two (Bob Roush and Wally Michaelis) on the varsity basketball team, and two (Bob Sweetland and Don Peacock) on the junior varsity team.

HISTORY

Looking back over our freshman year we feel very proud of our classmates: Beverly Westerbeck and Lorraine Schmarje were candidates for the homecoming queen, LaVonne Hoch and Cindy Schwabe were chosen attendants in the May Queen procession, Dick Besser and Jimmy Hecht took part in the all-school play. There were boys, too, who made the Junior Varsity team.

The homecoming queen candidates for this year were Beverly Westerbeck and Barbara Roskie. We put on our first public display, the Sophomore Jubilee, which turned out to be a great success. The class officers for this year are: president, Bob Koch; vice-president, Jack Wienke; secretary, Steven Ryan; treasurer, Dick Kuhn.

HISTORY

"No, no, no, please don't make me roll that pencil with my nose again!" Oh, how well we remember Freshmen Week! Not only were we scared of the seniors at the Freshmen Reception, but of that huge building, all those other classmen, and some of the faculty. (You mean of Mr. Edwards? We weren't the least bit scared, just plain petrified!) "Gee, I wish they wouldn't look at me that way! Gosh, I think I'm lost!" were the familiar phrases we repeated over and over the first couple of weeks of school.

The homecoming was quite an exciting event for the freshmen. Our two queen candidates, of whom we were very proud, were Ellerie Shaw and Sue Hecht.

Even though we have gone through a lot, and we're still not sure we're in one piece, we wouldn't miss the thrill of being freshmen for anything!

WOODCOHI

"Programs! Programs! Buy your fair programs here — you can't see and enjoy the fair without a program — get yours now —" rang throughout the grounds all fall as the busy subscription department of the 1951 yearbook carried on their campaign. Actually, however, the merry-go-round started spinning last spring, after the different department heads were chosen. The theme was decided and the preliminary work on the dummy was started.

Ads for the *Woodcohi* were sold throughout the summer and fall, thanks to the constant persistence and energy of the ad department. The photo staff started their activities early too, by taking various pictures at the McHenry County Fair last July. In September the dummy was eagerly tackled again. With Miss Pfeiffer as ring master, working hand and hand with the whole staff, the book progressed rapidly.

Toward the end of the semester the merry-go-round paused long enough for the staff to turn toward a more glamorous ride, the annual Rose Dance. The festive show arrived, and crowned Ann Abraham, the lovely queen.

Because the book is so much larger than ever before, the staff had to find ways to raise money other than selling ads and subs. This they did by record dances and diligent sale of candy every night after school. Fortunately, the staff and everyone loves to eat, especially on the fair grounds!

HI-LIGHTS

"Racing forms! Get your racing sheet here!"

That's a familiar cry on the fair grounds and at W. C. H. S. it is, "*Hi-Lights! Hi-Lights!* Get your news sheet here!"

Hi-Lights is the school paper published by the students. The first semester this year, *Hi-Lights* was published monthly in huge

plump forms. The last semester it was published weekly in smaller issues.

This wondrous form contains all news of the faculty and students; all the sports news with the winners of each race; the fashions; the editorials and the feature articles; jokes; and any cartoons or scandal the students want to print.

STUDENT COUNCIL

Stop! Look! Witness momentous decisions! See them made! Here we have geniuses at work (no — no — not freaks!) — One from each section, and officers elected from entire student body. (See picture) This is the third year for our Student Council who meet once each week to discuss the latest problems. This year they have been busily preparing a student handbook, which will contain the rules

and regulations for student behavior, graduation requirements and an over-all view of each subject. The funds for Student Council are earned by the sponsoring of record dances after games. In November some of the members of the Council attended a convention at Evanston, and learned much about how other Councils are organized and operated.

HERE

BAND

Listen — Listen — To the most resounding, to the most famous, to the most blue-ribboned attraction we have. Because of the capable direction of Mr. Olson, the band's snappy appearance (especially in the complicated formations executed at football games and the Mardi Gras Festival at Riverview), their melodious overtures at basketball games, winter and spring concerts, and the McHenry County Music Festival under our big top in February, our band is tops again. The whole fair boasts of the band, its 72 members and all the blue ribbons they always bring home from division contests. Rather than going to state contest this year they chose to buy new drum equipment. Generosity, too, is their motto — for on holidays, such as Memorial Day, they put on an outstanding show with all the flare for which they are famous.

BATON TWIRLERS AND ORCHESTRA

Also under our terrific band-master's direction are the baton twirlers and the orchestra. The former puts on a dazzling show with the band in its many public appearances; and the latter is growing by leaps and bounds this year, thanks to the addition of a much needed violin section.

COUNTY MUSIC FESTIVAL

A gigantic, tumultuous and thrilling spectacle was held in our auditorium on February 8, when over 600 students, representing all county schools, participated instrumentally or vocally in the McHenry County Music Festival. It has been some 20-odd years since this event was staged and everyone heralded its revival (as they did the County Fair) with eager enthusiasm. Under the superb direction of Mr. Bruce Hausknecht of Joliet, the massed group did a fabulous job.

Standing: R. Besser, H. Hinner, R. Larsen, B. Johnson, Mr. Olson.

Peppiest — liveliest — noisiest group any school could offer are our six cheerleaders: Peggy Shaw, Joan Krein, Sue Kemp, Beverly Westerbeck, Woody Hildebrandt and Sue Hecht. They are elected, by student vote, at the beginning of the school year. Each week our barkers have a pep meeting if the game is at home, and really sell their wares — our teams — as the cheers reverberate throughout the big-top. Peggy Shaw captained the cheerleaders during the football season and Joan Krein during the basketball season. Miss Witherell advises this invaluable and loyal group.

CHORUS

Hear — Hear — Music lovers! Get your tickets for one of our most melodious shows! Over a hundred busy performers in many different groups: the Blue and White Mixed Chorus, the Freshman Chorus, the Girls' Glee Club, the Boys' Glee Club, the Junior and Senior Girls' Ensembles, and the Harmonizers, a boys' ninetette. These groups performed at a Christmas vesper concert, the spring concert, and many other civic and school functions.

From the largest group, the Blue and White Mixed Chorus, a group of over a hundred voices, Mr. Burda selected sixty singers to represent Woodstock Community High School at that fabulous event, the McHenry County High School Music Festival, held February 8 at Woodstock Community High School auditorium. It was terrific, and likewise was the job Mr. Burda did all year! !

GIRLS' LEAGUE

The lar-gest — the most tre-mendous — the most stu-pendous, *all-girl* show of the fair!! Short girls, tall girls! Thin girls, fat girls! Girls in formals, slacks, sweaters, and print! Smiling, serious, gloomy, and laughing girls, that's the Girls' League. Friendship, democracy, equality — that's their motto. Every girl a member; every senior a big sister, and every freshman a little sister.

Parties galore: a welcome for the incoming freshman; a farewell for the outgoing senior; and a turn-about party, known as a sock

hop or hard-times or Sadie Hawkins dance. Climax of this great show, the glamorous Mothers' Tea comes in the spring. Last comes another installation and new officers chosen — but here's our list of this year's officers: president, Mary Ann Lee; vice-president, Phyllis Mitchel; secretary, Marjorie Benton; treasurer, Lucy Raffel; senior-freshman chairman, Mary Haager; junior representatives, Marilyn Hagie, Carol Schmidt; sophomore representatives, Barbara Roskie, Shirley Howell; freshman representatives, Dorothy Bott, Ellerie Shaw.

THESPIANS

A show within a show — our Thespians, who entertain us by the hour, saying "the play's the thing," to bring us from our studious slavery to the colorful world of the drama. Grease paint — laughter — tears — hard labor — good humor — combined for more fun than a three-ring circus — especially at Christmas, Armistice Day and other special occasions when they perform for all of us.

This group, number 991 of the National Thespian Society, is growing rapidly, having 15 members this year, who have earned the necessary points by taking part in the various theatrical and speech activities in school. The sponsor is Miss Young, assisted by Mr. Edwards.

Officers for this year are: Robert Clark, president; Bud Tryon, vice-president; Jerry Gillett, secretary; Bill Hoerbert, treasurer; Bruce Schildt, sergeant-at-arms.

The big event sponsored by the Varsity Club is the annual homecoming weekend — much excitement with pep rallies — snake dance — colorful floats and parade — and at the dance the crowning of the queen. All performed with high splendor.

An additional attraction this year are the football emblems the club purchased for the members of the team, for they were the North Suburban Conference Champs!!

FUTURE FARMERS OF AMERICA

Most appropriate — most authentic — most varied is this display — an essential exhibit to every fair! It includes twenty-five dairy projects, ten hog projects, three corn projects, and poultry — seen at the County Fair here and at Harvard Milk Day last summer. These Future Farmers are never idle, for their basketball team has won four and lost no games, they have husked corn for Libby, McNeil and Libby (for \$65!!), they have attended The Interna-

tional Livestock Show in Chicago, the Sectional Officers Training Banquet held at W. C. H. S., which included Boone, Lake, McHenry and Cook counties, and visited the Massey Harris Farm Implement Plant in Wisconsin.

WOODCOHI ROSE DANCE

Queen Ann Abraham with Jerry Gillett, Co-Editor

Top billing for the most stupendous show-of-shows on the fair grounds went to the fabulous winter formal given by the Woodcohi staff. Beauty reigned supreme as the queen and court of the 1951 yearbook were presented in all their majestic splendor. When the magic moment arrived, midway through the evening's gaiety, Don Adams' orchestra furnished a soft melodious waltz and each member of the court, with her escort, came slowly from the traditional rose garden, through the rose trellis — out to the applauding spectators. They were: Dorothy Stogsdill escorted by Bert McCannon, Mary Durkee escorted by Joe Schroeder, Joan Krein escorted by Bob Westerbeck, Shirley Zimmerman escorted by Chuck Berlin, and Peggy Shaw escorted by Wayne Schacht. At last came the lovely and regal queen, Ann Abraham — with her escort, Tom Neubacher — to receive her bouquet of roses from Jerry Gillett, co-editor of 1951 Woodcohi. M. C. for the occasion was Ralph Stork. After the Royal Dance

Grand March

and the Grand March, Ann, and her court, took their places at the queen's candlelit table in the cafeteria, where punch and cookies were served midst the lovely rose decorations.

Later everyone returned to the dance floor where they lingered until midnight, and then proceeded to their after-dance spots. All in all, this glamorous sideshow proved to be one of the many, through which our students become better all-around performers.

HOMECOMING

Breathtaking, colorful, thrilling — the weekend of Homecoming. A show of many sides — of varied entertainment. This spectacular event began Thursday, October 5, with a pep session in school arousing school spirit for a snake dance that evening. Students rallied around a huge bonfire at 7:15, before the big snake dance which twisted its way through town, under the leadership of Jack Sorenson — who managed to exhaust everyone.

Friday afternoon each organization and class tried to out-do the other by entering a float in the colorful parade which wound through the main streets and around the square. Prizes were given for the most interesting and original floats. The juniors walked away with first prize, seniors second and cheerleaders third. That night was the main attraction — the big football game — when our Blue Streaks upset Warren 27-7. This put everyone in high spirits for the dance Saturday.

The dance was held in the gym, and a huge crowd of students, alumni, and friends danced to the tunes of Theldon Meyer's orchestra. The highlight of the evening was the crowning of the Homecoming Queen, Mary Ann Cameron, by Bob Clark, president of the Varsity Club. The members of her court were: Dorothy Stogsdill, senior; Sue Kemp and Shirley Whiting, juniors; Beverly Westerbeck and Barbara Roskie, sophomores, and Sue Hecht and Ellarie Shaw, freshmen. The auditorium was aptly decorated with the large blue and white "w", surrounded by the pennants of all the Conference teams. The dance climaxed a glorious weekend of thrills.

PROM

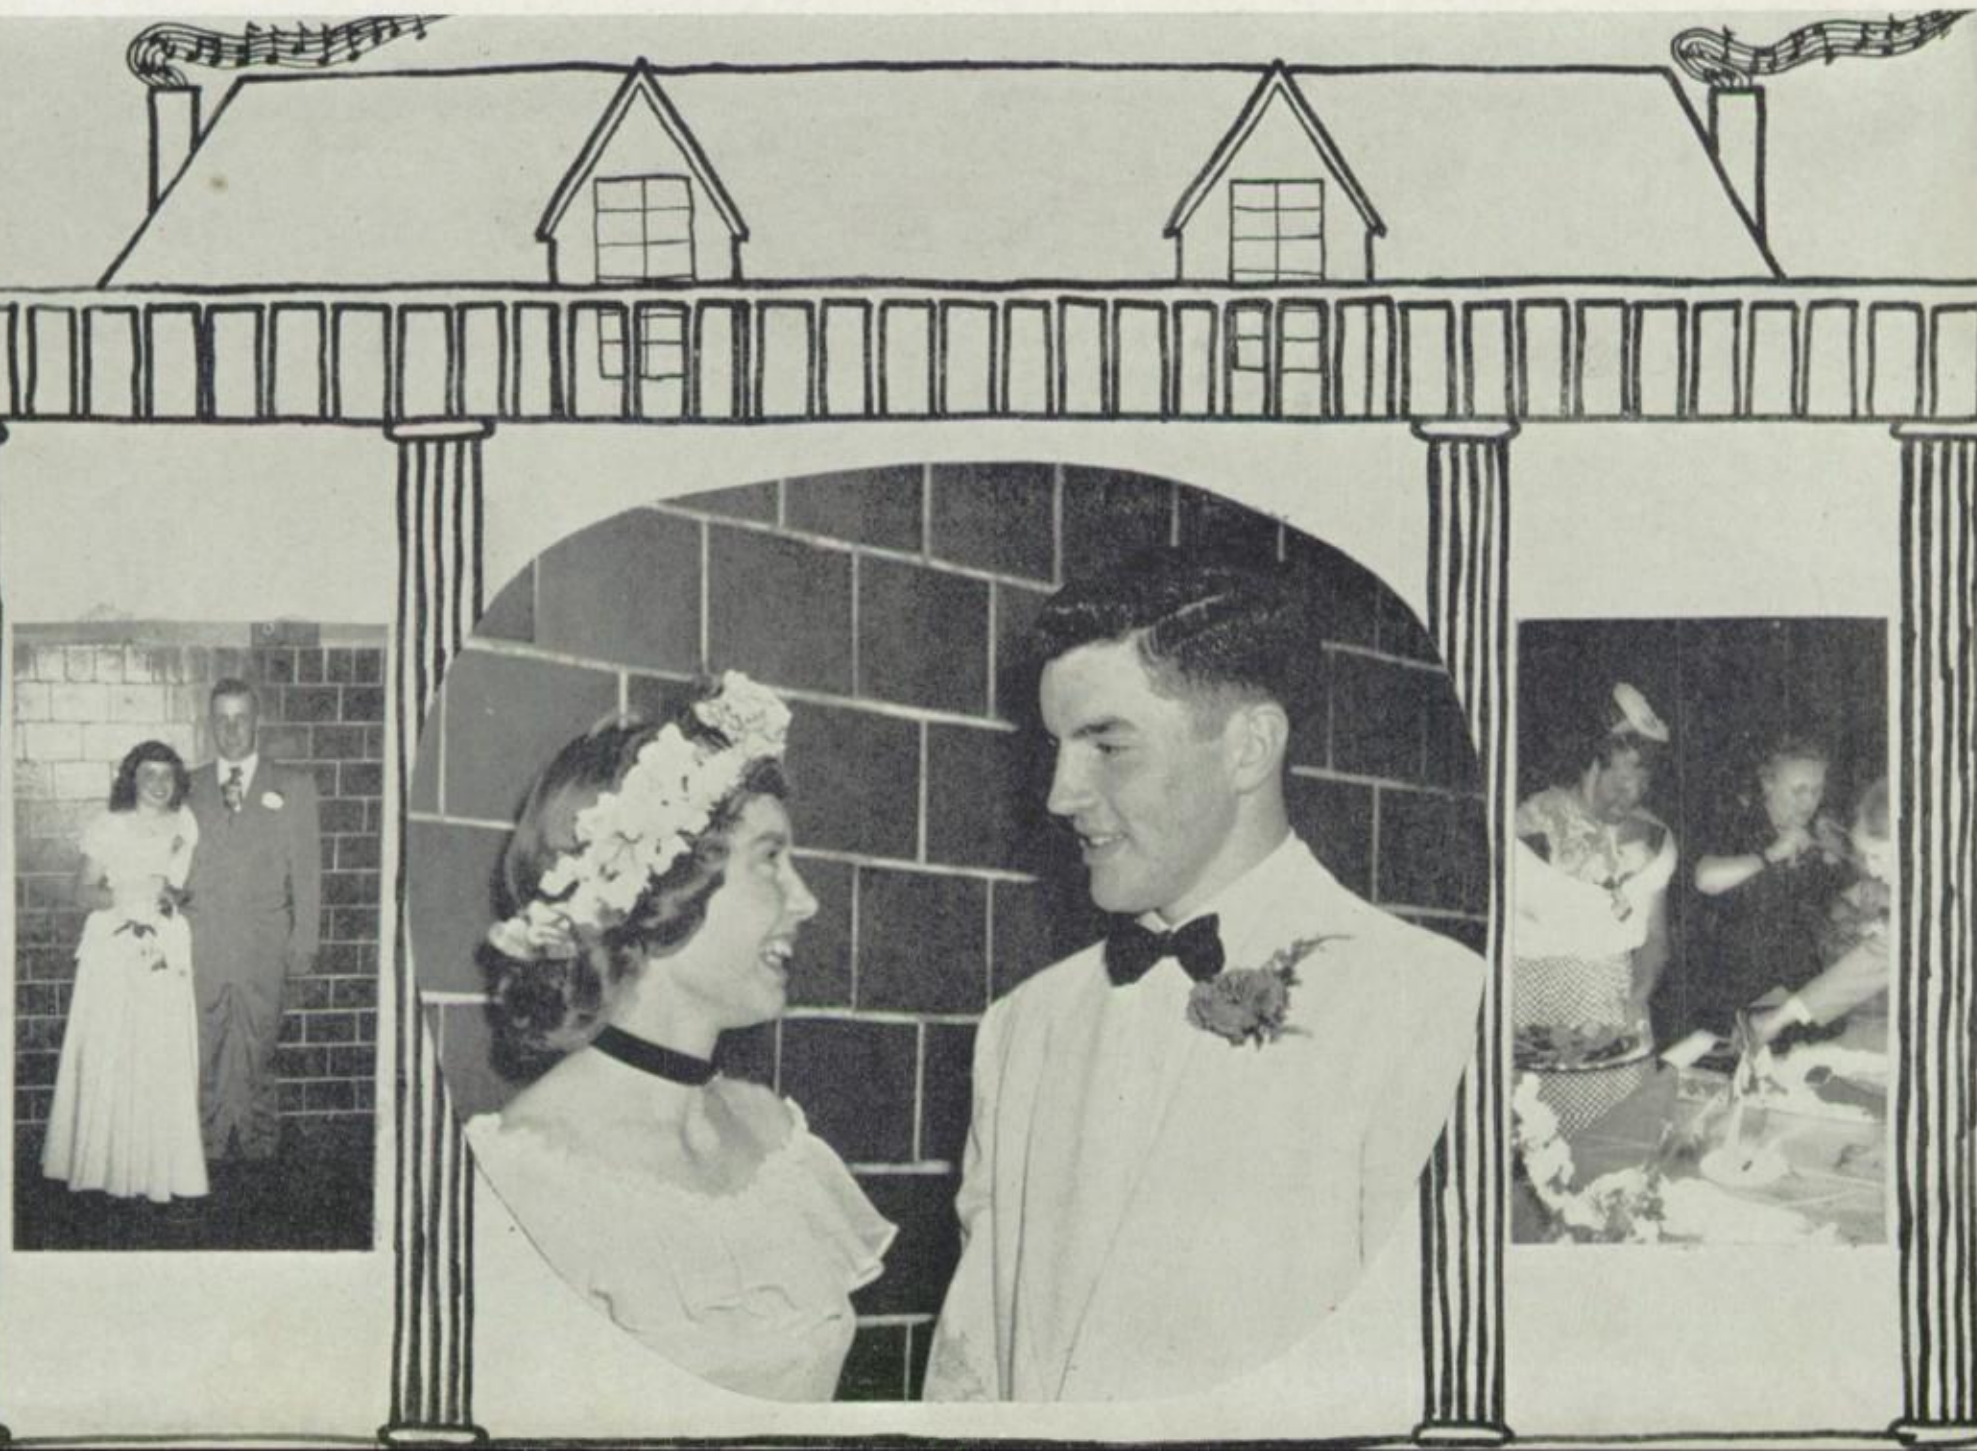

One of the most glamorous sideshows of all was the "Southern Plantation", sponsored by the fabulous class of '51.

As the gentlemen and their belles were great showmen, the dance floor became a whirl of gaiety. This picture was not hard to imagine because of the many billowy skirts, reminiscent of the old south, the lovely stone walk bordered by flowers, and in the background the large white mansion of colonial tradition. Trees hung with moss, clipped shrubbery, and Mississippi River scenes, with a steamboat fading in the distance, completed the sides of the transformed gym.

The climax of the joyous evening of May 20, 1950, was the crowning of the Southern Queen, Phyllis McCannon, by our gracious host and class president, Wayne Schacht. One dance was reserved for the Queen with her court and their escorts. Following this, George Edwards and his orchestra had a nice long rest, while mint juleps and cake were served in the cafeteria by colored slaves.

Phyllis and her court of Libbie Barber, Dorothy Stogsdill, Shirley Zimmerman, Mary Ann Cameron, Peggy Shaw, and Mary Durkee would never have been able to rule without the helpful advice of Miss Coultas, Miss Czarnecki, Mr. Dale and Mr. Sparks, our advisors.

Queen candidate, Dorothy Stogsdill and her date, Bert McCannon; the queen, Phyllis McCannon and the class president, Wayne Schacht; and Miss Coultas officiating at the punch table, with the "slave" help.

MOTHERS' TEA

A hot and windy May fifth (1950), was the setting for the star-studded all-girl revue, which was the main attraction at our "fairgrounds" — a private show for all the mothers of the WCHS students, staged by all the girls enrolled.

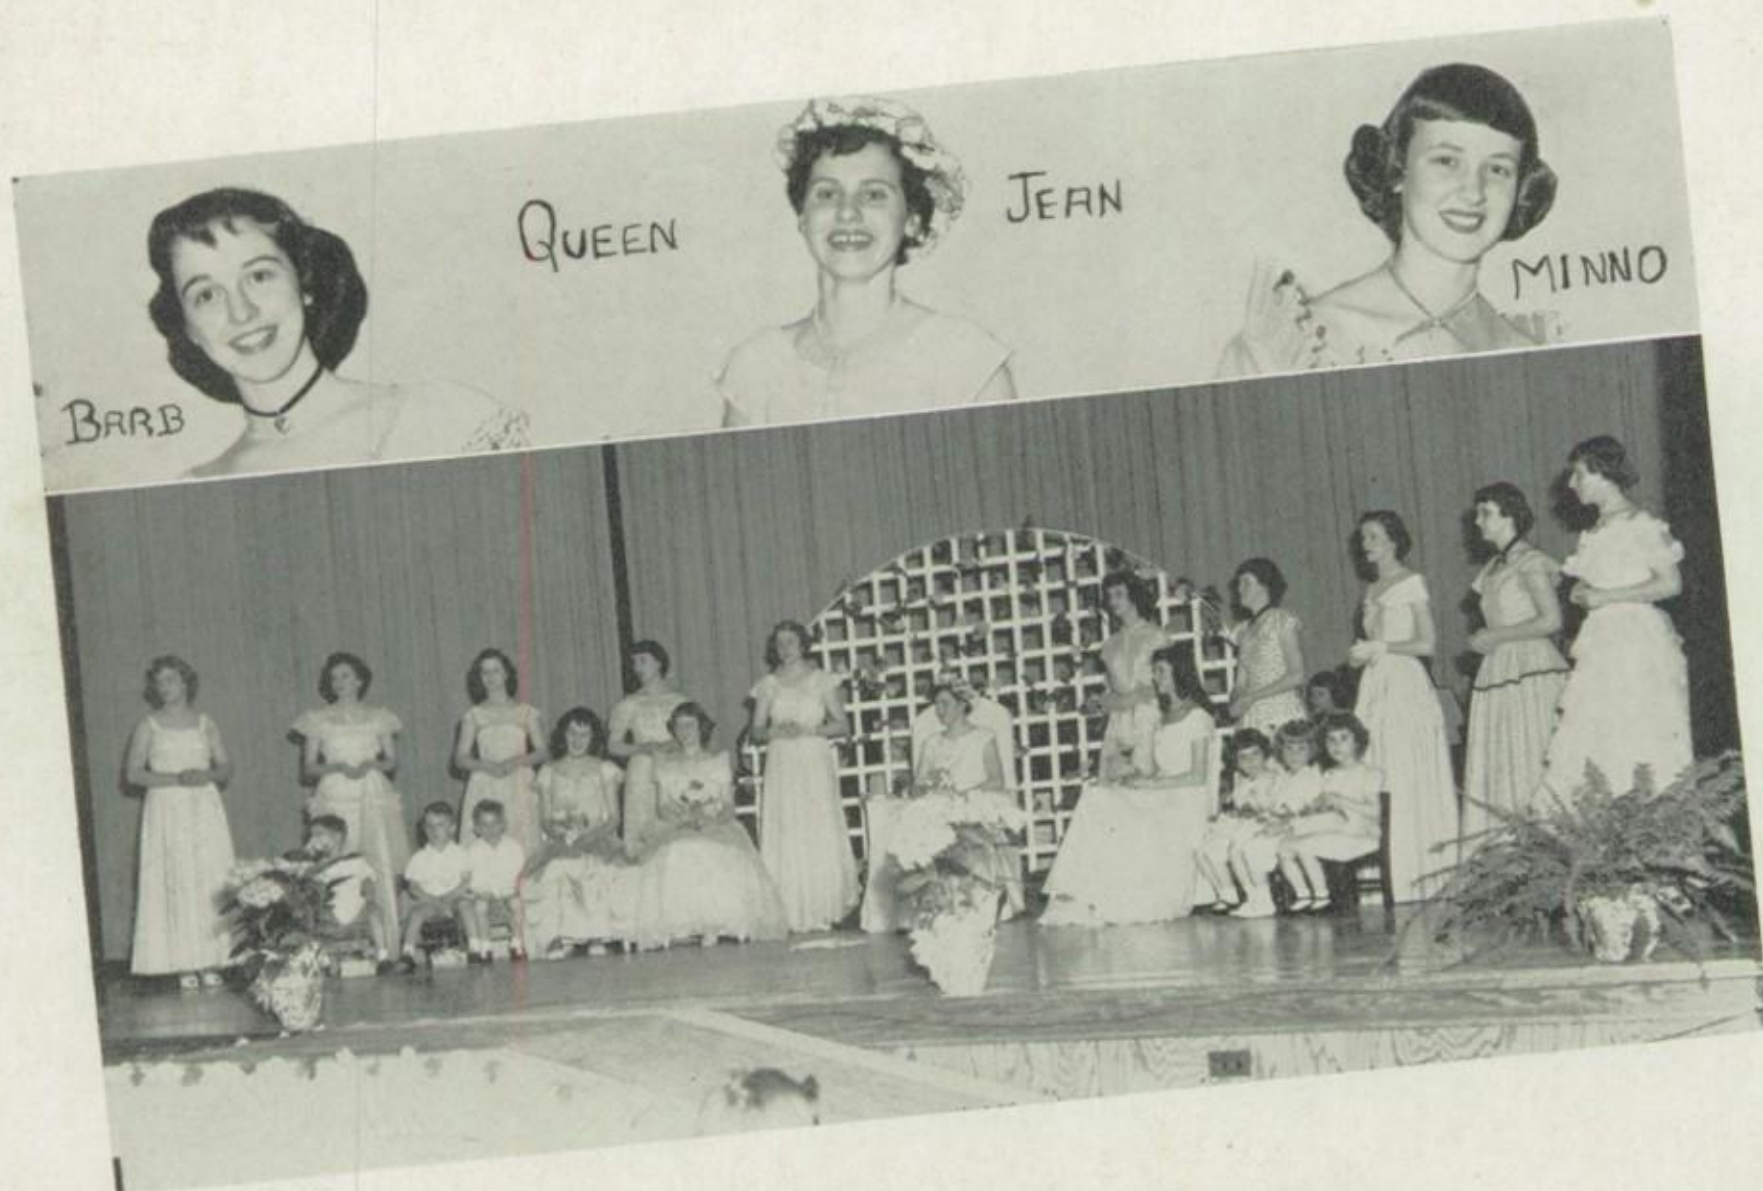

To officially open this gigantic event, Norabelle Chenoweth, president of the Girls' League, gave the welcome. Then fashions of the past half century were presented, along with songs and dances of each period. To complete the spectacle, there were wedding gowns, war uniforms, and graduation dresses of yesterday and today. As a high point of the program Shirley Whiting and Barbara Kuhn danced the Charleston, as popular today as it was when their mothers were in school.

As the revue progressed, tension and excitement filled the air, for soon the secret would be out — the May Queen would be crowned! The candidates, Jean Engstrom, Barbara Harrison, and Muriel West stood in wait-

ing while pages Cindy Schwabe and La Von Hoch sedately started down the aisle. Then, the queen's court followed — Norabelle Chenoweth, Marianne Draffkorn, Beverly Ehlers, Ann Frisbie, Virginia Howell, Eleanor Miller, Devona Nelson, Barbara Thurow, Carole Townsend, and Joan Vannick. As suspense heightened, the queen candidates and last year's queen, Claire Staas, took their places on the stage. The orchestral accompaniment changed, the melodious strains of "A Pretty Girl Is Like a Melody" were heard, and then it was known! Claire rose, took Jean's nervous hand, and crowned her Queen of the May and Star of the Show.

Even the tea tables became exotic displays for this show of shows. The "Wishing Well" table was awarded first prize, "Suffrage" was second and "Brides" was third. Without Miss Coultas's unending patience, and the help of all the other faculty members, this gala revue could never have been the tremendous success that it was.

Standing: Devona Nelson, Eleanor Miller, Beverly Ehlers, Marianne Draffkorn, Barbara Thurow, Virginia Howell, Ann Frisbie, Joan Vannick, Norabelle Chenoweth, and Carol Townsend.

1941 war fashions: Army Nurse Ann Barber, Wave Sue Kemp, Wait La Verne Berlin, Waac Pat De Wolf. Miss Beatty pours and Barbara Roskie serves for the mothers. Connie Scharf, Wilna Ohlrich and Marge Benton present their table: "Suffrage", second prize winner. Climax of the main act: Claire Staas crowning Jean Engstrom as the 1950 May Queen.

ALL-GIRL REVUE

Moderator Mary Haager practices, while Sue Tresch and Marlene Steinke arrange details. Preparations for the show, made by Devona Nelson and Norabelle Chenoweth. The processional begins and festivities are under way. Behind the scenes "Pfeiff" helps "Minno" into her "parade" attire.

The procession opens the big show. Members of the class of '51 set the stage. Mary Haager describes as Phyllis Lindvall models her own wedding gown. The first prize table, "Wishing Well", done by Norma Campbell, Peg Walkington, and Gloria Crone.

OUR BLUE-RIBBON ENTRIES SPORTS

They're Off . . . to set a fast pace.

BASEBALL

The baseball race of 1950 was "in the money." For the second year in a row Guy Curtright coached the Blue Streaks through a successful season, having a 13 and 11 won-lost record. In the regular conference race Woodstock placed (by finishing third) with 2 wins and 2 losses, and won 3 and lost 3 of the non-conference games.

Star performer was Bert McCannon, having led all our batters with a healthy .474 batting average. That's really "laying the wood to it." In the flinging department Roger Dermont topped all our pitchers by winning 6 and losing 4 games. His earned run average was 2.56, also high. Bud Tryon fielded a nifty .975 to lead that department.

New, last season, was the New-Six Summer League, in which the Streaks took third place. They were tied for first place all the way, only to lose the play-off game to Marengo 6 to 5, in extra innings, which dropped them down to third place. Again it was Bert McCannon, who not only led his team in hitting, but also won the New-Six batting championship with a .454 average. Bert, up till then, was known strictly as a pitcher. Roger Dermont was the only other .300 hitter on the team, finishing 6th in the Summer League with a

.379 average. All in all, the team showed the spirit and determination needed for this exciting grandstand attraction.

TRACK

Odds are always low when Larry Dale's pacers and jumpers come out of the paddock. The track team ran well in the county meet held at Crystal Lake in the spring of 1950, when Dennis Larson won the mile, "Red" Johnson won the half-mile, and Tom Reichardt led the way in the high jump. The team, as a whole, scored thirty points in the meet, losing show money by a nose (or one-half of a point). In the Palatine Relays, later in the season, the two mile relay of Schacht, Johnson, Larson, and Gaylord placed, for six points.

Cross Country is rapidly becoming a favorite sport at Woodstock. This year our trotters won the County Meet over the Woodstock Course. Always a sure bet; Red Johnson set a track record of 10:43 for the event. Woodstock took first money by scoring twenty-eight and a half points; McHenry showed with thirty-one and a half points, and Richmond placed with sixty points. Cross Country is scored differently than other sports. As the first six men on each team come under the wire, their finishing positions are added together and the lowest score wins.

Something new was tried this year. A cross country race with Zion was brought before the grandstand between halves of our homecoming game, which delighted the huge crowd of spectators at this annual show of shows.

NORTH SUBURBAN CONFERENCE CHAMPIONS

Coaches O'Hara and Curtright talk it over with co-captains, Tom Stock and Wayne Schacht.

The big attraction everyone was waiting for finally came and really set a terrific pace, for this year the Streaks took the blue ribbon of the North Suburban Conference. Our power-laden team, under the fine leadership of Coach Guy Curtright, took an early lead and held it most of the way to the finish line. The high-light of the whole race was the threat of our old rivals, Crystal Lake, whom we routed by the score of 18-6.

In the final game of the season, the Champs beat Zion 37-7 in a blinding sleet and snow storm. Selected on the all-conference team were Center Don Jessup, Back Wayne Schacht, and End Bud Tryon. Bud was also the leading scorer in the conference.

A thrilling race, not soon to be forgotten by its many avid spectators.

THAT'S OUR CRY!

J. V. FOOTBALL

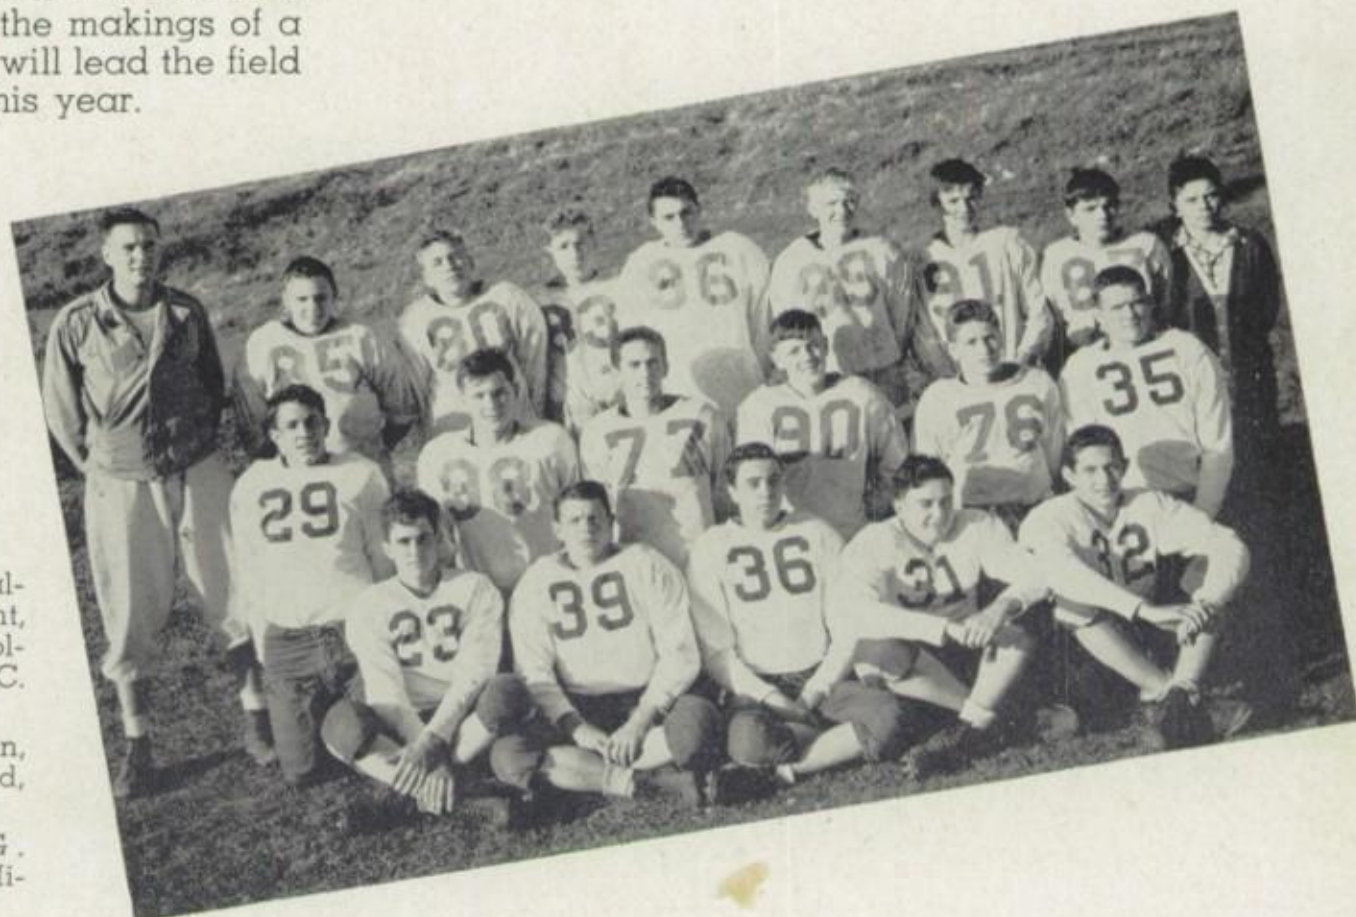

The future champions at Woodstock High School had a very successful season. The J. V. team, made up mostly of freshmen and sophomores and coached by Bob Menke, won all but one game. They were halted by a tough Belvidere team. Several of these boys will be moving up to the varsity when football rolls around next fall. They have the makings of a great team and we hope they will lead the field next year as the varsity did this year.

Woodstock's varsity basketball team was favored to make a good showing in its race. Following the odd-makers theories, they won more than half their games. Robert Menke, graduate of the University of Illinois, became the coach of the Blue and White stable for 1950-1951. The Streaks broke fast from the gate to whip Lake Geneva 48 to 24. A week later, the gallant team was "passed-up" by a powerful Hebron squad.

In the McHenry County Tournament, the Streaks had the bad luck of drawing Hebron in the first heat. They were defeated after a fast race, 61-41. In the Mooseheart Invitational Tournament they were upset by St. Thomas of Rockford. Again, in the Woodstock Regional Tournament, the Streaks were paired with Hebron only to lose a hard fought battle, 68-56.

In the Conference race, they had a won-and-lost-record of 6 and 6, and tied for 4th place in the Conference. The Streaks were a favorite at the beginning of the season, and still were fighting for first until the last four games of Conference play.

The Streaks lost the services of Joe Schroeder, to the service, and Chuck Davis at mid-term graduation.

Ralph Stork led the Conference and the team in scoring with an average of 14.92 points for the 12 games in Conference play and 14.59 points for the total of 22 games. He was also chosen for the All-Conference team for the second consecutive year. Bob Clark won the free-throw trophy with a percentage of .704.

In general, the Streaks had a good season. They won 12 games and lost 11.

J. V. BASKETBALL

Row 3: Bob Selchow, Jerry Curtright, Jim Davis, Larry Krull, Bob Belshaw, Bert Rank, and Dave Dunlap.
 Row 2: Manager Chuck Goldman, Jim Hansman, Bob Sweetland, Chuck Sahs, Dick Besser, and Coach Guy Curtright.
 Row 1: Don Peacock, Jack Wienke, Ralph Scharnau, Dick Geister, Walt Michaelis, and Don McCannon.

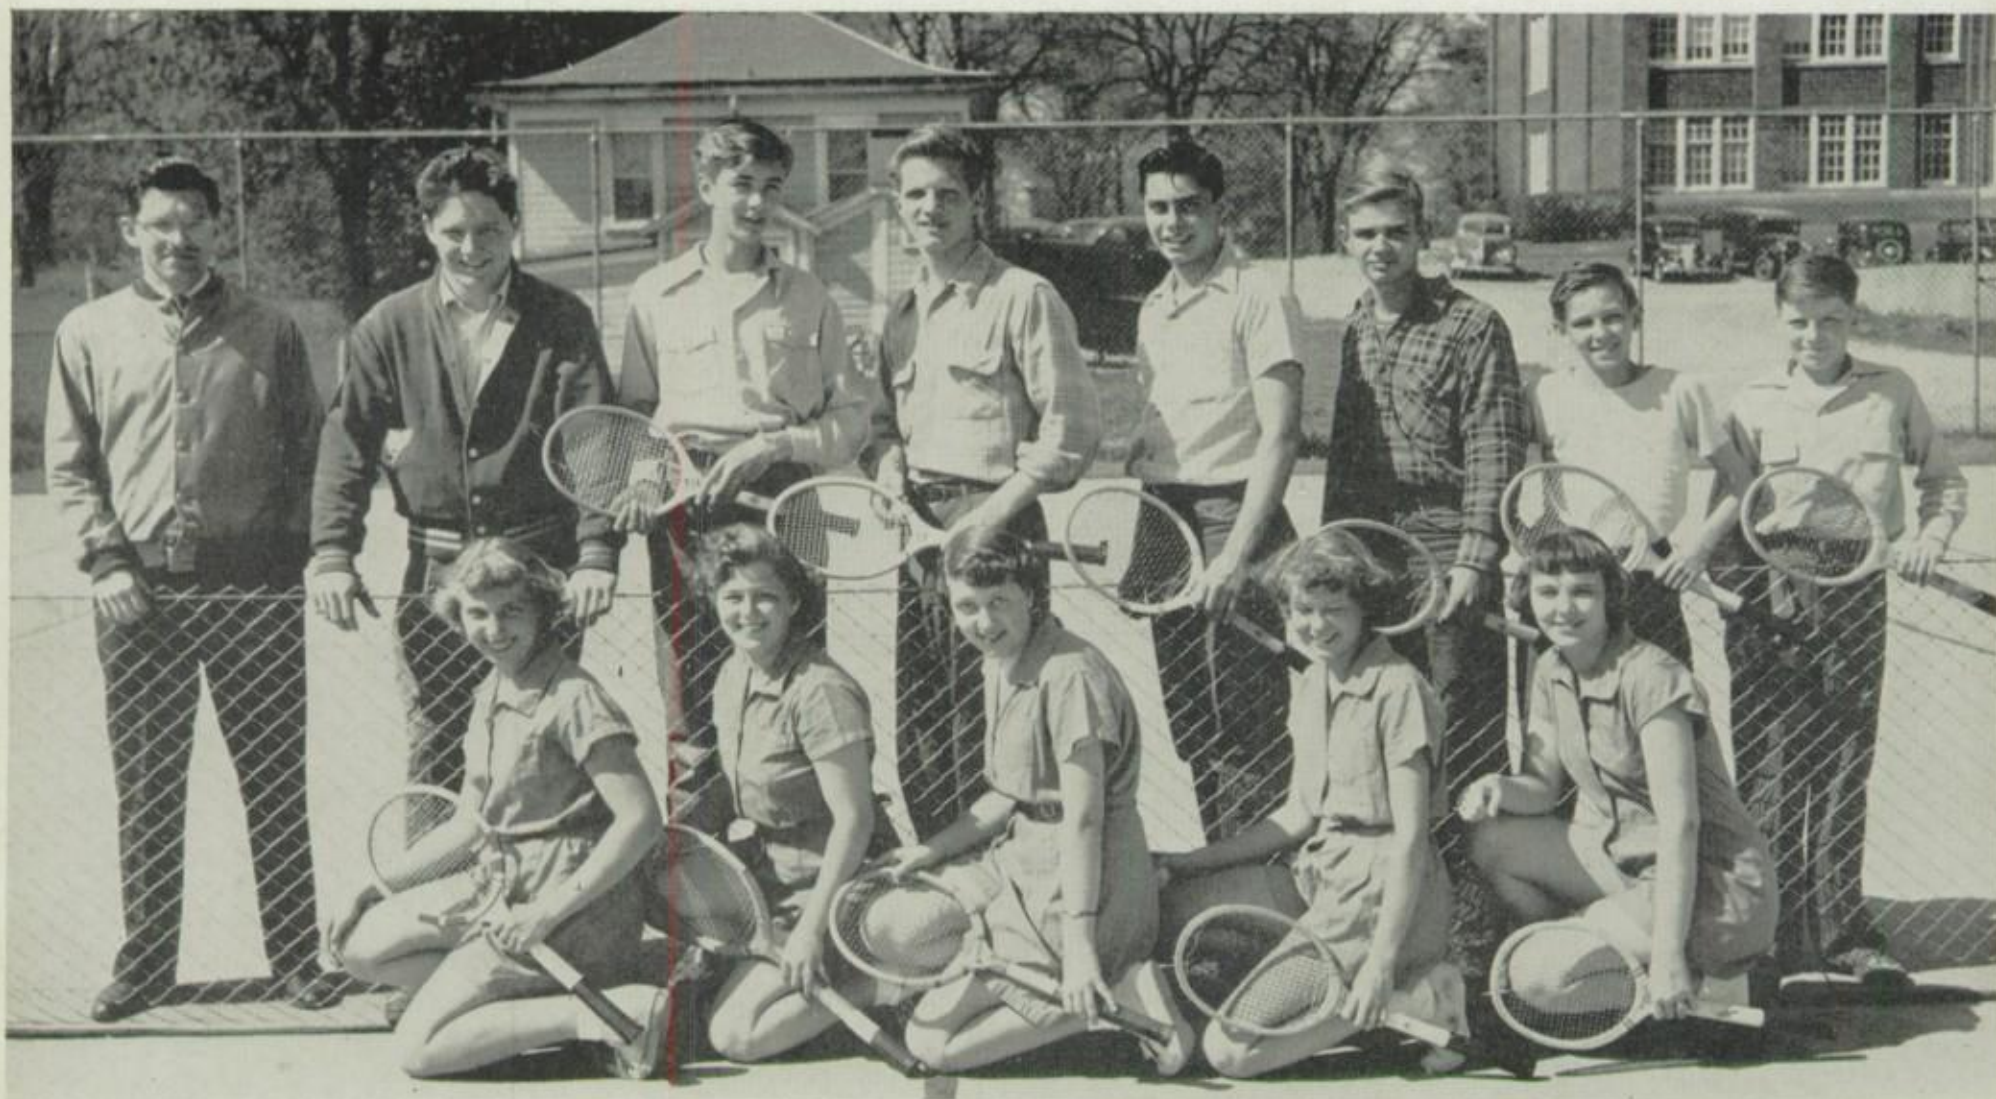

The junior varsity had one of the best seasons in the history of the school. The young Streaks took off for a fast start, and held a safe margin to the finish-line, when they won the North Suburban Conference Championship.

The J. V.'s had the terrific record of 20 wins and 1 loss. Leading scorer for the champs was big Dick Geister with an average of 13 points

for 21 games. Bringing about this fine team was a combination of brilliant teamwork, sharp ball handling, and tremendous spirit.

As all of these boys will be returning for two and three years, they should be leading contenders for the Conference championship in varsity ball.

TENNIS

TENNIS TEAM

Row 2: Coach Lee Grebner, Don Jessup, Ken Thornton, Bob Larson, Ronnie Braukhoff, Ulf Kahl, Fred Howell and George Cowan.

Row 1: Pat DeWolf, Gloria Crone, Marlene Steinke, Mary Ann Cameron, and Nora Belle Chenoweth.

In the spring of 1950, another feature event appeared before the grandstand and was added to the sports agenda. In tennis, we had a ladder-tournament for both boys and girls. Matches were held with Hebron and McHenry. We won both matches with Hebron and split with McHenry. The girls who received certificates were: Mary Ann Cameron, Gloria Crone, Marlene Steinke, Patsy DeWolf, and Nora Belle Chenoweth. Boys receiving certificates were: Fred Howell, Ulf Kahl, Bob Larsen, Ralph Stork, and Don Jessup.

In 1951, matches were held with Lake Geneva, McHenry, Hebron, and Belvidere. The top ones in the ladder-tournaments represented W. C. H. S. in these matches and presented lots of thrills for the eager spectators.

GOLF

In the fall of 1950, Lee Grebner conducted golf practice at the Woodstock Country Club for boys interested in learning to play golf. Plans are under way for having a golf team, but due to the crowded spring sports schedule it may not be possible this year. There is such great enthusiasm that we hope that golf will soon become one of the feature races.

INTRAMURALS

One of the great attractions of our grandstand show was the intramural sports races. Among the main heats were basketball, co-recreational volleyball, boys' volleyball, softball and tennis. The entries seemed to enjoy them as much as the spectators. First, and most enjoyed, of these was basketball. The boys always put on a good show for the crowd at lunch hour. Many of them showed promise and might appear in future years in the "big time". Leonard Carlson, Steve Ryan, and others attracted much interest. Of course, there were the clowns, such as Tom Benton and Jim Baker, who often livened up the show with their antics.

Among the array of cage teams were such names as the "Ball-Hogs", "Rockets", and "Dubbers". There were sixteen teams in all, six in the "A" division and ten in the "B" division. The latter was divided into the National and the American Leagues. All three divisions raced close, down to the wire. At the finish it was the "Cannonballs" in the "A" division, "Playboys" in the National League, and the "Gazelles" in the American. In the play-off for the Class "B" Championship, the "Playboys" came out on top. The great day had finally come. The "Cannonballs" headed by Bert McCannon now had to defend their four-wins and no-loss record against a good "Playboy"

team, with Bob Westerbeck as their master. After the gun sounded, the "Cannonballs" became grandstand champs. High scorers in the "A" division were: Gene Boyce with 40 points and Leonard Carlson with 28 points; both were on the same team, the "Question-Marks". In the "B" division, it was Steve Ryan of the "Greeks" with 37 points and Jim Hecht of the "Gazelles" with 25 points.

INTRAMURAL CHAMPS

Row 2: E. Eddy, J. Baker, L. Bungard.
Row 1: B. McCannon, R. Whiting.

After the basketball season ended, volleyball was the next heat in the spotlight. Many of the boys who had been out for varsity basketball had a chance to enter this with the rest. There were over thirty teams in two divisions. The "A" class was for the "stars", and "B" class, for those who "just played". Mr. Curtright, the judge and official starter, had an elaborate tourney set up. Boys' volleyball this year took the place of boxing and wrestling.

(This was because these two heats seemed to interfere with track, for the boys would wrestle instead of running!)

At last! Spring! Softball was then under way. As in basketball and volleyball, there were the inevitable clowns, but there were also some who showed promise for the regular sport.

And so, with this, the extensive intramural race came to a close.

The division standings were:

Class History

(Continued from Page 13)

the first time we realized how close our school days were to being over. Pictures to be entered in the Hall of Fame for this year are: Mary Ann Cameron as homecoming queen, Herbie Kemp as class president, Ann Abraham as queen of the Rose Dance, and Libbie Barber — the first of our class to marry.

With the help of our advisors, Miss Coultas, Miss Czarnecki, Mr. Sparks, and Mr. Dale, we managed to reach the somewhat painful night of graduation. Our footsteps leading away from our now-familiar schoolhouse into such a questionable, uncertain future were as slow as the dreaded steps we took up the hill at the beginning of our first green year.
